Hi Phil,

Sally and I are both out on annual leave on Thursday. Westley Foster is out as well. Ex. 5 - Deliberative

I will look at the briefings paper and get back to you before the meeting next week. Sorry I can't be there.

Thank you for keeping this moving. I appreciate your efforts, please keep me in the loop. FYI - I am working with Westley to get in touch with the tribes (that signed the petition) before they come in to meet with the RA, we will work with them to see if there are any other issues that they would like to discuss with the RA and if they would like a separate meeting in addition to the meeting with Trout Unlimited.

Sincerely,
Tami

If you have edits to suggest please get them back to me as soon as you can.

The only time the RA is available to discuss the options paper before he visits Bristol Bay is Thursday, July 8 at 11:00AM PST. Most of those on the distribution list for this message are not available at that time.
